NEWS**

The parent survey results are in!

We were disappointed with how little feedback we received from our families but we feel that the information that we did gather can still help us move forward with planning events this year.

We would like to personally invite you to our next meeting. It is very informative and a great way to get involved in the community and your child's education. You can just pop on and observe – no need to turn on your mic or video if you do not feel comfortable.

How to connect to our next meeting:

There will be an invitation sent out with school messenger with a unique password

****a reminder you will have to know your child's login information****

Log onto your child's tvdsb google account

In the top right hand corner select "apps" and then "meet"

Type in the unique password

The meeting will open up and we will provide you with a quick overview on how to navigate the virtual meeting

If you do not have a google account or are having trouble logging in please reach out and we can add you with an email address or phone number.

We heard you!

59.2% agree that they would be more interested in becoming engaged! Pop on to our next meeting – we would love to meet you! Or if you would rather chat before you can email me at tiffythompson@hotmail.com
