Principal's Message

Dear West Nissouri Families,

We would like to start by thanking all of our families who generously donated to our Scare Away Hunger campaign. Your contributions have made a significant impact in supporting those in need within our community.

We are also grateful to everyone who participated in our Remembrance Day assembly. It was a poignant reminder of the sacrifices made by so many, and we were pleased that several families were able to share this moment with us, showing respect and reverence on such an important day.

We also want to remind parents and caregivers that progress reports were sent home on Friday. These reports provide valuable insights into your child's academic progress and areas for growth. We encourage all families to take this opportunity to meet with your child's teacher during the upcoming parent-teacher interviews. These meetings are a great way to discuss your child's progress, ask questions, and collaborate on strategies to support their learning journey.

Thank you for your continued support and involvement in our school community. Together, we can ensure that every student has the opportunity to grow and succeed.

Sincerely,

Ms. Ingrid Hollander
Principal

Wellness Club

We are excited to kick off our bracelet-making sessions for primary and junior students again this year! These sessions were a huge hit last year, and we're expecting even more creative fun this time around. To make this happen, we'd love your help! If you have any extra bracelet-making materials lying around at home that you're no longer using, please consider donating them. You can send them in with your child or drop them off at the office. Let's make this year's sessions even more colorful and exciting!

Thank you!

Mrs. Warren, Ms. Mitchell, Mrs. Crawford and Mrs. Donaldson

Learning Support Team Update

Term 1 IEPs were updated and completed October 17 and posted to the parent portal to reflect learning goals for term 1. If your child is supported by an IEP, please visit the Parent Portal to review and acknowledge receipt of your child's IEP. Thank you for partnering with us in this important step!

Cross Country Running

Woah Wildfire! The TVDSB Cross Country Finals was a great day for our school! We are so proud of everyone for training hard and representing our school so well! This year, we had our largest team of 38 runners qualify for the Finals! Everyone gave their best effort and we had so many personal best times and results! At the Finals, each race had about 125 runners, and we had so many students crack the top 20! Congratulations to Oliver E, Everett E, Addison H, Charles C, Charlotte E, Maverick E, Elliott H and Nate M for being in the top 20 for their races, we are so proud of you! An extra special congratulations goes out to Makayla V in Grade 8, for her incredible running that earned her a bronze medal! What a huge accomplishment, Makayla! Thanks to Mme Welch and Mrs. Hamlyn for coaching and cheering on the team at Finals and thanks to Mrs. Gould, Miss. Rooyakkers, Mrs. Jordan and Mrs. Adams for their coaching efforts throughout the season!
